

Crosswinds Corporate Counseling

Uniquely Different. Uniquely Better.

A Healthier, Happier Workplace is Possible

Confidential Counseling for your Employees

Through Crosswinds Corporate Counseling, your employees can get the support they need with counseling for themselves or anyone in their household at no cost to them. With just a phone call, e-mail or text we will get them connected to a Crosswinds Counselor. We want to take away any barriers for them getting the support they need, so they can be the best employees possible.

Better than a Typical EAP

With Crosswinds, it's a relationship. We specialize in making our services accessible and convenient.

- When you call Crosswinds, you get Crosswinds Counseling not a list of more people to call.
- Our program is not a use it or lose it program. All your funds go toward services.
- You know your Account manager and they are available for you when needs arise.

"Through Crosswinds, our employees families are being strengthened, stress managed and challenges navigated" – *Weigand Construction*

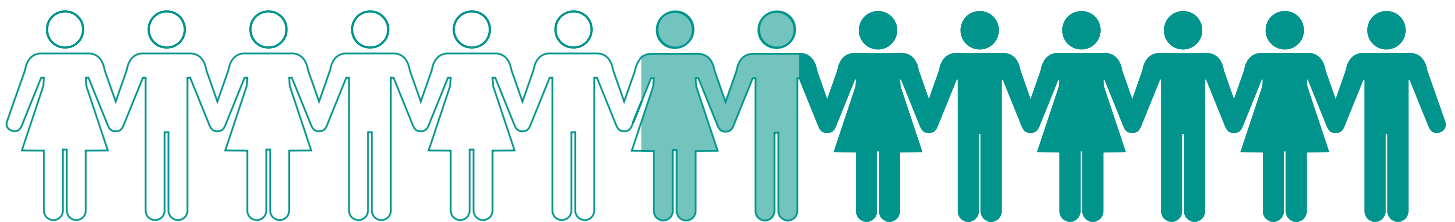

Support for Employees

- Counseling available online or in office
- Five confidential counseling sessions
- Monthly tools for support with our Corporate Counseling Newsletter

Support for the Employer

- Confidence that your employees' struggles are being cared for by professional caring counselors
- Only pay for counseling services used
- Monthly usage statements and yearly report on utilization
- Company support through Seminars, Webinars, Groups and Conflict negotiation

45% of absences at work are due to mental health.

56% of employees say stress and anxiety impacts their workplace performance more than anything else.
