

Meet Your School Counselor

Searah Ellenberger,
MA, LMHCA
Master's Level Therapist

Degrees & Accreditations:

- Master's in Mental Health Counseling
- Licensed Mental Health Counselor Associate (LMHCA)

Specialties:

I can help children work through anxiety, depression, trauma, and more. I use Play Therapy techniques.

A Word from Searah:

"No matter what your child is experiencing, I'm here to help. I have worked with many children struggling with depression, anxiety, and trauma. Growing up, my family was heavily involved in the Foster Care system. I have been around adopted children all my life and understand the complex emotions and situations they experience. Every child deserves to be happy, confident and loved."
